Miss MacIntosh, My Darling is a novel by Marguerite Young. She has described it as "an exploration of the illusions, hallucinations, errors of judgment in individual lives, the central scene of the novel being an opium addict's paradise."

The novel is one of the longest ever written.

Child development stages

verb phrase: "Not baby." Answers "What are you doing?"; "What is this?"; and "Where?"; questions dealing with familiar objects and events. Physical development

Child development stages are the theoretical milestones of child development, some of which are asserted in nativist theories. This article discusses the most widely accepted developmental stages in children. There exists a wide variation in terms of what is considered "normal", caused by variations in genetic, cognitive, physical, family, cultural, nutritional, educational, and

environmental factors. Many children reach some or most of these milestones at different times from the norm.

Holistic development sees the child in the round, as a whole person – physically, emotionally, intellectually, socially, morally, culturally, and spiritually. Learning about child development involves studying patterns of growth and development, from which guidelines for 'normal' development are construed. Developmental...

John Randall Daniel "Bob" Braham, (6 April 1920 – 7 February 1974) was a Royal Air Force (RAF) night fighter pilot and fighter ace during the Second World War.

Braham was born in April 1920. Upon leaving school as a teenager he worked for his local constabulary as a clerk. Bored with civilian life, Braham joined the RAF on a five-year short service commission in December 1937. He began basic training in March 1938 and then advanced training from August to December. Upon the completion of flight training, he was posted to No. 29 Squadron RAF based at RAF Debden, where he learned to fly the Hawker Hurricane and Bristol Blenheim. In 1939 the squadron began to organise itself as a specialised night fighter unit.

By August 1940, the Battle of Britain was underway. He gained his first victory on...

Seventh Doctor

dundrearyisms ("Time and tide melt the snowman," or when partner Mel is kidnapped, "A bird in the hand keeps the Doctor away"), playing the spoons, and making pratfalls

The Seventh Doctor is an incarnation of the Doctor, the protagonist of the British science fiction television series Doctor Who. He is portrayed by Scottish actor Sylvester McCoy.

Within the series' narrative, the Doctor is a centuries-old alien Time Lord from the planet Gallifrey who travels in time and space in the TARDIS, frequently with companions. At the end of life, the Doctor regenerates; as a result, the physical appearance and personality of the Doctor changes. Preceded in regeneration by the Sixth Doctor (Colin Baker), he is followed by the Eighth Doctor (Paul McGann).

McCoy portrays the Seventh Doctor as a whimsical, thoughtful character who quickly becomes more layered, secretive, and manipulative. His first companion was Melanie Bush (Bonnie Langford), a computer programmer who...
