merit for its political content and historical portrayal. A 178-minute Ultimate Cut, approved by McDowell who always felt his performance was hindered

Caligula (Italian: Caligola) is a 1979 erotic historical drama film about the rise and fall of Roman Emperor Caligula. The film stars Malcolm McDowell in the title role, alongside Teresa Ann Savoy, Helen Mirren, Peter O'Toole, John Steiner, and John Gielgud.

Financier producer Bob Guccione, founder of Penthouse magazine, engaged Giancarlo Lui to film post-production scenes featuring hardcore sex, significantly altering the film's tone and style.

Initially released to Italian cinemas in 1979, then screened in America the following year, Caligula was met with legal issues and controversies over its violent and sexual content. Different...

Theodore Robert Bundy (né
Cowell; November 24, 1946 -
January 24, 1989) was an
American serial killer who
kidnapped, raped and murdered
dozens of young women and girls
between 1974 and 1978. His
modus operandi typically consisted
of convincing his target that he

duping them into believing he was
an authority figure. He would then

them with handcuffs before driving
them to a remote location to be
