Understanding Torts

This Understanding treatise is the perfect complement to first-year tort courses and is suitable for use with any tort casebook. Concise and authoritative, Understanding Torts features: Comprehensive and up-to-date coverage of intentional torts, privileges, negligence, cause-in-fact, proximate cause, defenses, joint and several liability, damages, strict liability, products liability, economic torts, malicious prosecution, abuse of process, defamation and invasion of privacy. Judicious use of footnotes to provide full, but not overwhelming, primary and secondary support for textual propositions. Clear organization and writing to enhance understanding of basic concepts and major cases covered in a torts course. In-depth analysis of topics that generate the greatest confusion and controversy. Professors and adjunct professors may request complimentary examination copies of LexisNexis law school publications to consider for class adoption or recommendation. Please identify the book(s) you wish to receive, provide your institutional contact information, and submit your request here.

Rosh Rapid Review: General Surgery Rotation Exam

This is book 2 of 7 of the Rapid Review for the Rotation Exam series. Developed by the same Rosh Review team who brought you the popular Rosh Review Qbank. The Rapid Review for the General Surgery Rotation Exam details every national content blueprint topic into a \"what you need to know\" for your General Surgery Rotation Exam. This book provides a high-yield review of the pathophysiology, diagnosis, lab analysis, treatments and more. Includes beautifully designed color teaching images for visual learners. Organized so you can add your own notes. Easy to take with you to class, a cafe, or library. The content in the Rapid Review book series is different from the content in the Rosh Qbank. Nonetheless, the Rapid Review book series serves as a perfect companion to the Rosh Qbank. Learning and education is a dynamic process, one that is never ending. Once we commit to a life in medicine, we commit to a life of learning. The Rosh Rapid Review book series is best suited to serve as an adjunct to your medical education. It is not meant as a primary source, rather it should help you organize your thoughts and provide ancillary knowledge for a more robust education. We are counting on you to not just regurgitate facts, but rather, paraphrasing Dr. Elizabeth Blackburn, to learn how it all works. We are privileged to be in the role of caretaker and thus have a responsibility to our patients to be the most knowledgeable we can be. Use this book on your learning journey. At some point, you will grow out of it. But in the meantime, we hope the hard work by the dedicated Rosh Review team can play just a small role in helping you reach your goals and achieve your dreams.

Pentridge

The last generation of inmates and staff return to the now-forgotten prison, which operated for 146 years, to tell the true and brutal story of Pentridge before developers bury it forever.

DRG Expert

THE DRG EXPERT has been a trusted and comprehensive reference to the DRG classification system for over 25 years. Organized by major diagnostic category (MDC), the convenient and innovative book layout follows the logical MS-DRG decision process. This is a must-have reference for those who need to verify DRG information and accurately assign MS-DRGs concurrently or retrospectively.

Sodom Road Exit

It's the summer of 1990 and Crystal Beach has lost its beloved, long-running amusement park, leaving the lakeside village a virtual ghost town. It is back to this fallen community Starla Mia Martin must return to live with her overbearing mother after dropping out of university and racking up significant debt. But an economic downturn, mother-daughter drama, and Generation X disillusionment soon prove to be to be the least of Starla's troubles. A mysterious and salacious force begins to dog Starla; inexplicable sounds in the night and unimaginable sites spotted in the periphery. Soon enough, Starla must confront the unresolved traumas that haunt Crystal Beach. Sodom Road Exit might read like a conventional paranormal thriller, except that Starla is far from a conventional protagonist. Where others might feel fear, Starla feels lust and queer desire. When others might run, Starla draws the horror nearer. And in turn, she draws a host of capricious characters toward her—all of them challenged to seek answers beyond their own temporal realities. Sodom Road Exit, the second novel by Lambda Literary Award winner Amber Dawn, is a book that's alive with both desire and dread. This publication meets the EPUB Accessibility requirements and it also meets the Web Content Accessibility Guidelines (WCAG-AA). It is screen-reader friendly and is accessible to persons with disabilities. A Simple book with few images, which is defined with accessible structural markup. This book contains various accessibility features such as alternative text for images, table of contents, page-list, landmark, reading order and semantic structure.
