

The Happy Lion Roars

The Happy Lion Roars

The Happy Lion is extremely unhappy because he is lonesome, so when a circus comes around and he sees the Beautiful Lioness, he brings her back to the zoo with him.

The Happy Lion and the new bear are both afraid of each other and spend their days roaring and

The Happy Lion Roars ... Pictures by Roger Duvoisin

Fresh, fun ideas for children's storytime fill this book. The author, a long-time storytime facilitator, has put together 52 weekly themes plus additional plans for holidays, all with detailed instructions for talking about the theme and choosing the books, crafts, songs, poems, games and snacks. Each storytime idea is illustrated with photographs of a suggested craft and snack for easy reference. Libraries, bookstores, preschools and parents alike can use this book to offer themed storytimes that include discussion, literature, art, music, movement and food. Options are provided for each storytime, so the ideas can be used year after year.

The Happy Lion and the Bear

The Harry Potter series of books and movies are wildly popular. Many Christians see the books as largely if not entirely harmless. Others regard them as dangerous and misleading. In his book *A Landscape with Dragons*, Harry Potter critic Michael O'Brien examines contemporary children's literature and finds it spiritually and morally wanting. His analysis, written before the rise of the popular Potter books and films, anticipates many of the problems Harry Potter critics point to. *A Landscape with Dragons* is a controversial, yet thoughtful study of what millions of young people are reading and the possible impact such reading may have on them. In this study of the pagan invasion of children's culture, O'Brien, the father of six, describes his own coming to terms with the effect it has had on his family and on most families in Western society. His analysis of the degeneration of books, films, and videos for the young is incisive and detailed. Yet his approach is not simply critical, for he suggests a number of remedies, including several tools of discernment for parents and teachers in assessing the moral content and spiritual impact of this insidious revolution. In doing so, he points the way to rediscovery of time-tested sources, and to new developments in Christian culture. If you have ever wondered why a certain children's

book or film made you feel uneasy, but you couldn't figure out why, this book is just what you need. This completely revised, much expanded second edition also includes a very substantial recommended reading list of over 1,000 books for kindergarten through highschool.

Catalog of Copyright Entries

The 1st ed. includes an index to v. 28-36 of St. Nicholas.

The Storytime Handbook

The 1st ed. includes an index to v. 28-36 of St. Nicholas.
