Warning: Do Not Open This Book!

An E. B. White Read-Aloud Honor Book An ALA Notable Book A Huffington Post Notable Book CAUTION! This book contains monkeys, alligators, and a whole lot of silliness. You really shouldn't be opening this book. I'm serious. Just put it back on the shelf. Right...now. You're still reading this? Well, don't say I didn't warn you... It looks like a book, it feels like a book, and it even smells like a book. But watch out...madness and mayhem lie within! Debut author Adam Lehrhaupt urges you NOT to take a walk on the wild side in this humorous, interactive romp with inventive and engaging illustrations from Eisner Award-winning comic artist and rising star children's book illustrator Matthew Forsythe. Warning: Do Not Open This Book? won the E.B. White Read-Aloud Honor award and was a 2013 Huffington Post Best Picture Book honorable mention and an ALA Notable Children's Book. This quirky, subversive creation begs to be enjoyed again and again and again. "These monkeys are a RIOT! And their books are funny, too!" —Ame Dyckman

Warning Do Not Open This Book

WARNING: Do Not Open This Book WARNING: Do Not Open This Book This isn't a story you just read. It's a story you have to operate. You found it. Against every safety protocol, every flickering red light, and the giant warning printed on the front, you've picked up the manual for Spark. He's a glitchy, weary, single-armed maintenance bot just trying to find a quiet corner to power down-but he can't do it without a \"User.\" In this interactive adventure, the fourth wall isn't just broken; it's been dismantled for spare parts. Spark is trapped inside these pages, and your hands are the only tools he has left. What's Inside the Manual: Interactive Mechanics: You'll be asked to tilt the book to help Spark balance, tap the keypad code to bypass security, and turn pages carefully to avoid waking the facility's alarms. A \"Living\" Character: Spark reacts to how you treat the book. Flip the pages too fast, and he might get dizzy. Close the book too hard, and you might accidentally shut a door on his only remaining hand., Tactile Storytelling: Rich, atmospheric illustrations that make the paper feel like rusted steel and cold concrete. The rules are simple: Keep the lights on. Don't shake the spine. Whatever you do...do not open the book!
